

Dear Alaska Community Share Fund Supporter:

At *Alaska Community Share* we believe that dreams can change the world. Sometimes the process takes us into directions that we have not had the opportunity to partake in before – as a volunteer or someone that has benefited from our agencies. Other times it is as simple as participating in workplace giving and aiding Alaskan agencies with our good fortunes.

In my first year as Executive Director, I have had the great privilege of meeting many people and talking about the incredible work of our more than forty member agencies. I have connected with people all over the ‘Great State’ of Alaska and have talked about the work that Alaska Community Share Agencies are doing to help move our communities in a forward and positive direction.

Listed in this year’s *Campaign Brochure*, you will see a listing of our member agencies and a description of their good works, along with website and other contact information. I hope that you will take time to read about these incredible groups and check out their individual websites. You may also go to **www.alaskacommunityshare.org** to learn more information about Alaska Community Share and our Agencies.

Please do not hesitate to be in touch with questions you might have about Alaska Community Share in general. Feel free to contact me at 907. 258. 4576 or by email at akcomshare@ak.net.

I look forward to your partnership in the future and the growing stewardship of Alaska Community Share and Alaska Community Share Agencies. Thank you for your past and future support.

Sincerely yours,

Phillis Benson
Executive Director
